- HAVE YOU HEARD ABOUT OUR EXTENDED WARRANTY PROGRAMME?
- FOR A SMALL FEE YOU CAN COVER YOUR VCS AGAINST THE COST OF REPAIR!

#### 1. HOW DO I BENEFIT FROM AN ATARI SERVICE CONTRACT?

The Atari Service Contract is an easy, low cost way to protect your investment in an Atari Video Computer System.

The Atari Service Contract covers all parts and labour should your Atari Video Computer System fail to operate in accordance with Atari instructions whilst covered by the scheme.

#### 2. WHAT IS COVERED?

Your Atari Service Contract covers your Video Computer System and its original hardware accessories — power transformer, Joysticks and Paddle Controllers — against breakdowns due to defects in material or workmanship, and normal wear and tear. (It does not cover breakdowns caused by Non-Atari hardware components used with your system).

#### 3. IF A GAME PROGRAMME CARTRIDGE FAILS, IS IT COVERED?

No, your Atari Software is covered under a separate one year limited warranty. This service contract will only give you hardware a full years extended protection.

#### 4. HOW MUCH DOES MY COVER BEGHT?

As soon as your application is received with payment and is accepted, your Video Computer System will be covered by your original warranty, your Atari Service Contract Authorisation Card will begin immediately when your original warranty expires. You will be sent your Atari Service Contract showing details of your name and Video Computer System. It must be kept and must be presented when your Video Computer System needs repair.

#### 5. HOW LONG DOES MY COVER LAST?

One full year. The expiration date will be shown on your Atari Service Contract.

#### 6. HOW MUCH DOES THE ATARI SERVICE CONTRACT COST?

If your Video Computer System is still covered by the original warranty, £14.00.

If your Video Computer System is out of warranty £17.00.

#### 7. WHERE DO I GO IF MY VIDEO COMPUTER SYSTEM NEEDS REPAIRING?

Atari has over 70 Factory Authorised Independent Service Centres throughout the United Kingdom, and others are being appointed regularly. You can identify an Authorised Atari Independent Service Centre by the Atari Service Centre displayed above. Each service centre employs professional staff who are specially trained and fully equipped by Atari to work on Atari products.

You can call Atari Customer Relations on Stough (0753) 24561 to obtain the address of your nearest Atari Service Centre.  
 Or look in Yellow Pages under "Video, TV and Electronic Games."

#### 8. HOW CAN I GET AN ATARI SERVICE CONTRACT?

Complete the attached application form and if your Video Computer System is still covered by the original 1 year warranty, send £14.00. Alternatively, if your Video Computer System is now out of warranty, send £17.00 to:
